Summary

Senior Front-end developer with over 6 **years** of experience in software development across various industries, with the **5 most recent years** focused on React and React Native. I am well-respected amongst industry-leading companies as a skilled developer who truly understands the client infrastructure and pain points. I also have the hands-on, technical aptitude needed to design and build out solutions.

Skill Highlights

- User friendly UX/UI
- API building and Integration
- Soket IO
- Database design

Experience

Front-end Developer (UX and UI) - 07/2018 to 03/2021
